

This could make a good hand out for staff or put it up on the bulletin boards. I don't know who wrote it, it's been winging its way around the net.

The Clown Chakra

The Clown scientists have found that all our problems can be placed under one heading: Seriousness. Seriousness is the leading cause of everything from Cancer to Reincarnation. Scientists from the Clown Academy have already discovered a new source of healing. It is a psychic energy point located between the heart Chakra and the throat Chakra. It is called the clown Chakra.

If people are feeling miserable; if they have financial problems; if their relationship situation is the pits; if they are in ill health; if they have a need to sue people; if they find fault with their brother; then obviously their clown Chakra is closed. When this happens, the scientists have observed under a high-powered microscope that the cells of every organ display a sad face; and when the clown Chakra is open and functioning normally, the cells display a happy face.

The scientists realized that if a person is ill, it is because his mind has projected guilt onto the cells of his body and has forced out the love that is normally found within each cell of the body. The cells are therefore saying, "I Lack Love", or ILL for short. The scientists also discovered that all disease is due to the fact that the cells are "out of ease" or "dis-eased". When the clown Chakra is opened and working (or rather, playing) properly, the psychic mechanism sucks up misery, pain, anger, resentment, grievances, unhappiness and so on, and converts the energy into tiny red heart-shaped balloons. The red heart balloons contain God's Love and Joy. These balloons are directed to the "dis-eased" cell or situation, and a happy face appears instantly. When the light enters the darkness, the darkness is gone. Sometimes these red heart balloons are called endorphins, due to the fact that when anyone experiences them the feeling of separation ends - they experience being back home with the Father and hence are no longer an orphan. This is the well known "end orphan" (endorphin) effect.

So if you think someone is attacking you, Clown Scientists recommend that you visualize sending that person red heart shaped balloons filled with God's Love and Joy. Remember to keep your clown Chakra open and remember to laugh - seriousness causes reincarnation.
